

New research: Tell us about your experience of cancer support care in West Dorset

Healthwatch Dorset is working with Macmillan Cancer Support and the Wessex Cancer Alliance to find out more about people's experience of cancer support care in West Dorset.

If you, or a family member or friend, are living with cancer, this is an opportunity to have your say and help to improve local cancer support services.

How can you get involved?

- **Online survey.** Take part in our short online survey – it takes 10-15 minutes, and is open until 23 February:
smartsurvey.co.uk/s/cancersupport/
- **Face-to-face interview.** Contact [Healthwatch Dorset](#) and arrange to talk to us about your experiences.

Healthwatch Dorset is the county's independent health and care champion. We exist to ensure that people are at the heart of care.

Our dedicated team of staff and volunteers listen to what people like about local health and care services, and what could be improved.

These views are then shared with the decision-making organisations in the county, so together we can make a real difference.
